HEALTH AND IMMUNIZATION QUESTIONNAIRE

Foreign students coming to study in Eötvös József College, Baja are required to undergo health examination in order to determine and reduce health risks.

Students are asked to bring doctor's report of pre-existing and existing health issues with the emphasis on chronic and contagious diseases.

The document should give details on vaccinations. Adequate immunization against Morbilli-Mumps-Rubeola (MMR), Tetanus-Diphtheria-Pertussis (TDP, TDaP), Hepatitis (Hep B) and other is required.

Mantoux test (TB) date and result not older than 3 months is obligatory.
